The Free Clinic of Central Virginia serves low-income (200% of the federal poverty level or lower) persons without health insurance, Medicare, or Medicaid for the service being requested. General medical, dental, and pharmaceutical services are provided on-site. Clinics available include Allergy, diabetes, gastroenterology, gynecology, chronic kidney disease, hypertension, dermatology, podiatry, and orthopedics. Prescriptions are available through these medical providers for a small fee, each. For more information [visit our website](#).

The Free Clinic is not a walk-in clinic. All services are by appointment. Services are provided by volunteers and are limited by the availability of our volunteer providers. New patients must be screened for eligibility. Call for an eligibility screening appointment. Limited Spanish is spoken.
