The Charlottesville/Albemarle County TRIAD is a partnership in the Charlottesville community involving the Sheriff's Offices, Police Departments, local citizens, and service providers to senior citizens that work together to make the community safer for the elderly. Seniors are encouraged to provide ideas for TRIAD.

Charlottesville Sheriff's office participates in TRIAD by implementing activities designed to reduce the level of criminal victimization as it impacts senior persons. A major purpose of Triad is to develop, expand and implement effective crime

prevention and education programs for older Virginians. Triad works to improve the quality of life for seniors by providing an active exchange of information between local law enforcement and seniors.

Meetings are held on the 1st Wednesday of each month at 10 am. Call for more information
