Nursing Home Compare is a national website run by the Centers for Medicare and Medicare Services that offers consumers and health care providers up-to-date quality information on nursing homes via the Internet or 1-800-MEDICARE. Viewers can obtain information on nursing homes by state, city, county or zip code.

At [Nursing Home Compare](#) select a state; begin your search. The information is updated quarterly. Comparisons of quality measures for individual nursing homes are provided, along with information on state inspections, staffing, and the number of beds. The service is free. A hard copy of the Nursing Home Compare information can be obtained by calling 1-800-MEDICARE.

Office hours are weekdays; information available 24/7.
