The Alzheimer's Association is a private, non-profit organization that has chapters throughout the United States. It is the largest national, voluntary health organization dedicated to research and to providing support and assistance to people with Alzheimer's disease, their families, and caregivers. The Alzheimer's Association provides information about Alzheimer's disease and referrals to [local chapters](#) through a nationwide toll free number. The 24/7 Helpline provides information and support. The toll free number is 800-272-3900; the TDD number is 866-403-3073; the email address is info@alz.org.

Call for information about the nationwide ID program assisting in the safe return of individuals who wander and become lost or go online for guide to help individuals and families find the right care option.

To find a local chapter, you may visit the website or call the toll free number above. English and Spanish is available on Toll Free line; written material available in additional languages.
