The Joint Replacement Center of Virginia was established to serve the needs of the Lynchburg area with a comprehensive program for total joint replacement and pain management, specializing in hip & knee procedures.

This unit features a rehabilitation room that allows patients to get out of bed and back on their feet. This inpatient rehab plays a role in a patient full recovery and begins the day after surgery.

Offers outpatient rehabilitation services across the street at the Tate Springs Medical Center, Jamerson Family YMCA, Virginia Baptist Hospital and Gretna Medical Center. For more information, call 434-947-5407. All languages, including American Sign Language.
