Fee Structure

No Fee

Languages Spoken

English

Free Clinic of Powhatan provides free dental care to adults who qualify. Dentists in the area volunteer their time to provide dental services.

Patients must meet the same eligibility and financial criteria for seeking dental services as applicable to medical services; however, patients can have either Medicare or Medicaid and still be eligible for dental services.

All dental services are by appointment only.

Volunteers from Powhatan and the surrounding area offer dental services. Volunteers are always needed.
