AARP Livability Index

The formula for what makes a community livable for all ages isn't particularly complex. For the most part, the features and needs are fairly simple. AARP has designed a **Livability Index** for communities all across the country.

The Livability Index scores neighborhoods and communities across the US. for the services and amenities that impact your life the most.

- ▶ How livable is YOUR community? [Find out here.](#)
- ▶ Explore top-scoring communities [here.](#)

AARP was founded in 1958 and has over 38 million members. It is a nonprofit, nonpartisan organization for people over the age of 50. AARP is well-known for its advocacy efforts, providing its members with important information, products and services that enhance quality of life as they age. They also promote community service and keep members and the public informed on issues relating to the over 50 age group.
