Event Description

WarBirds Over the Beach Air Show will be May 19, 2017 through May 21, 2017. Step back in time for a memorable weekend as the Military Aviation Museum hosts the annual Warbirds Over the Beach airshow. Magnificent airplanes will take to the sky, hundreds of re-enactors will set up camp and musical performers from this era will entertain you. This weekend will feature the exciting debut of the museum's newest gem, the recently restored de Havilland Mosquito, the only flying one of its kind in the world! So don your vintage clothing and harken back to an earlier time, when life was much simpler. Call the Military Aviation Museum at 757-721-7767 for ticket information.
