Event Description

ASIST is a two-day workshop that teaches how to intervene and save a life from suicide. Over a million people around the world have participated in this award-winning program. Most people thinking about suicide don't actually want to die, but they need help deciding to stay alive. You don't need any prior training to attend ASIST - just a willingness to make a difference. Hosted by RBHA and Sponsored by the American Foundation for Suicide Prevention (AFSP) *CEU's are available with this training. (Note: as of this posting, the event is full but the link below will take you to a waiting list sign-up)
