Family Lifeline has three types of home care services: Nursing Support and Consultation, Visiting Volunteers, and Care Coordination or a combination of these services.

At each connection point, Family Lifeline offers Honoring Choices (a major initiative to build systemic change, advocacy, and education around advanced care planning) and counseling.

They also participate in No Wrong Door (a virtual system and statewide network of shared resources designed to streamline access to long-term services and supports - connecting individuals, providers, and communities across Virginia) as a means to connect their families with helpful resources.
