Brush Up Your Digital Skills

The AARP Foundation has created video tutorials to help you build your digital skills with confidence. Listen or watch whenever you want -- they're the next best thing to having your own tech expert at home.

How-To Videos for Using Technology

AARP Foundation has launched the Digital Skills Ready@50+™ program, made possible through a generous grant from Google.org. The free program provides digital skills training for people over 50 who are living with low income, with a focus on digital essentials to help you find and secure a job, change careers, or explore entrepreneurship. Watch the video tutorials and read the additional resources to help you build your digital skills.

Video Topics

There are a variety of topics you can explore including:

- How to Detect a Scam
- How to Find Freelance Work Online
- How to Deposit a Check Without Going to the Bank
- Find Volunteer Opportunities Online

---

AARP was founded in 1958 and has over 38 million members. It is a nonprofit, nonpartisan organization for people over the age of 50. AARP is well-known for its advocacy efforts, providing its members with important information, products and services that enhance quality of life as they age. They also promote community

service and keep members and the public informed on issues relating to the over 50 age group.
