The Korean Community Service Center (KCSC) provides comprehensive social services to low to moderate income individuals and families to promote self-sufficiency and to be contributing community members.

KCSC's Senior Academy is a continuing education program for senior citizens. The program offers a variety of subjects to help seniors improve their proficiency in English and learn more about American culture. Social activities can include art, music, physical fitness, line dancing, and field trips. Seniors can expand their social circle.

The program schedule at the Virginia campus is Mondays and Thursdays, 10AM to 2PM.
