Our Mission is to build a community of life long learners who care about themselves and others.

Adult Education Programs shall be offered to those residents of the school division over the age of compulsory school attendance who are not enrolled in the regular public school program and who are functioning below the high school completion level. The School Board shall seek to ensure that every adult participating in such a program has the opportunity to earn a general educational development (GED) certificate or a high school diploma. Such programs may be conducted solely by the School Board or through a collaborative arrangement between the School Board and other School Boards or agencies. Additional educational programs for adults also may be offered. Tuition and fees shall be established by the School Board.
