An auxiliary grant is a supplement to income for recipients of Supplemental Security Income (SSI) and certain other aged, blind, or disabled individuals residing in a licensed assisted living facility or an approved adult foster care home. This is assistance available from local departments of social services to ensure that recipients are able to maintain a standard of living that meets a basic level of need.

Must be 18 years of age and older and blind or disabled or 65 years or over and residing in a licensed adult care residence (ACR). Individuals must be screened to determine level of care prior to entering the ACR. Must be a resident of Halifax County before entering ACR.

Prior arrangements needed for non-English speaking customers.
