The National Center for Injury Prevention and Control (NCIPC) is an organization of the Centers for Disease Control and Prevention (CDC). The mission of NCIPC is to prevent injuries and violence and reduce their consequences. The NCIPC works to reduce morbidity, disability, mortality, and costs associated with injuries.

Visit the website to read about home and recreational safety, traumatic brain injury, motor vehicle safety, violence prevention and more.

Call center representatives are available 24 hours a day, 7 days a week, and they can answer public inquiries in English and Spanish. Please direct your inquiry to cdcinfo@cdc.gov.
