Frank Roane Apartments are located on 900 Federal Street in a beautiful old building built in 1899. The building was converted in 1980 into 26 apartments consisting of one efficiency and 25 one and two bedroom units. This created affordable housing for low-income elderly individuals, 62 years of age or older. Conveniently located on the bus line with on-site laundry facilities the apartments are fully accessible to handicapped individuals. We offer convenient trash chutes on every floor, an elevator and private off-street parking.

All of the apartments at Frank Roane are Project Based Section 8 and rent is income based.
