The Home Rehabilitation Program offers assistance for the correction of interior and exterior code violations, energy improvements (i.e. new roof, windows and heating/cooling system), vinyl siding and handicapped accessibility improvements.

The program provides for home repairs in order to improve the physical quality of the neighborhood and the long-term value and affordability of the dwelling for the homeowner. The program provides assistance for the rehabilitation of the property; it does not allow for remodeling. Assistance is provided one time only.

Call for eligible and ineligible type of repairs.
