Classes include both youth and adult karate and martial arts with special programs for children. In addition to American Free-Style Karate, Mongrel Fitness features classes in Kickboxing Fitness and Self Defense.

They ensure that each student receives a program of study that is challenging,

rewarding, promotes physical fitness and builds self esteem.

Bootcamp style class is designed to help with endurance, mobility and functional strength.

Staff is committed to providing a safe and comfortable environment for family members of all ages. Anyone is welcome to visit at any time including class sessions.
