The staff collaborates with other County and community organizations to provide many services for the County's aging population including transportation to and from centers, nutritious lunch, and information and referral to various human services.

The Senior+ Program is an innovative inclusion program, within the senior centers,

for seniors with minor cognitive and physical disabilities. Senior+ bridges the gap between day programs for fully independent seniors and those who require more assistance. Its value is that it allows seniors with disabilities to enjoy the wide range of programming found at the county's full service senior centers.
