Lewinsville Senior Center offers a wide assortment of energizing and enjoyable programs and services for citizens 50 years of age or older. Programs are specifically designed for senior adults who wish to maintain healthy and fulfilling lives.

NOTE: while the reconstruction of the Senior Center is in progress, all activities have been relocated to the Lewinsville Retirement Residences, 1515 Great Falls Street in McLean.

As diverse as the people they serve, these offerings provide a broad range of opportunities and experiences: social events, recreation classes, intergenerational opportunities; day trips, tours shopping; health fairs, fitness programs, senior Olympics; enrichment classes, workshops and computer education. The staff collaborates with other County and community organizations to provide many services for the County's aging population including transportation to and from centers, nutritious lunch, and information and referral to various human services.

Transportation, by Fastran bus, may be available at a nominal charge from your home to the center nearest you and back home. Check with the center to find out about transportation. Senior+ is the supportive services that enable seniors with minor cognitive and physical disabilities to actively participate in the day to day activities at Fairfax County senior centers.
