The staff collaborates with other County and community organizations to provide many services for the County's aging population including transportation to and from centers, nutritious lunch, and information and referral to various human services.

The Inclusive Services for Older Adults Program is an innovative inclusion program, within the senior centers, for older adults with minor cognitive and physical disabilities. This program bridges the gap between day programs for fully independent older adults and those who require more assistance. Its value is that it allows older adults with disabilities to enjoy the wide range of programming found at the county's full service senior centers.
