Commonwealth Catholic Charities's (CCC) Independence for Seniors supports healthy lifestyles and interactions for mature adults. The program improves the

quality of life for seniors by encouraging physical and mental activity, good nutrition, and personal relationships.

The Call Reassurance program provides seniors with a friendly phone call from a caring volunteer. Seniors feel less lonely knowing that a compassionate friend is only a phone call away.

Senior Socials are held at low-income senior housing communities. Socials include games, crafts, ice cream, trivia, and guest speakers. Fun is always on the agenda!

Call 540-278-1650 for more information about the various programs.
