Lake Prince Center is a Life Plan Community, also known as a continuing care retirement community or CCRC. A LifePlan Community has a multi-level approach to retirement living that offers residential living, assisted living, and skilled nursing level of care.

Active residents can choose cottages or apartments adjoining a community center designed for active retirees' lifestyles. Lake Prince Woods also offers a wellness program, assisted living, memory care, and skilled nursing from qualified professional staff.

An individual does not have to be a resident to enter into the assisted living or nursing home facility.

Other amenities include a fitness center, computer lab, salon, cafe, wooded walking trails, and an active social schedule. Call for details.

Lake Prince Woods is owned and operated by EveryAge, formerly United Church Homes and Services.
