Dr. Leonard's specialization are Family Medicine and Geriatric Medicine. Geriatric Medicine is a branch of medicine concerned with the diagnosis, treatment and prevention of disease in older people and the problems specific to aging. Geriatricians become experts in dealing with and treating the multiple medical problems that many seniors suffer from. The ailments they treat range from Alzheimer's disease to chronic pain and every thing in-between.

Services include geriatric assessment, medication (prescription and over-the-counter) assessment, physical examination, nutritional and diet review, functional assessment, evaluation of falls, osteoporosis evaluation, evaluation and management of incontinence, checking for sensory impairment, hearing impairment, vision impairment, depression, memory loss, anxiety; elder abuse screening and home care services.

Dr. Leonard is affiliated with Inova Fair Oaks Hospital.
