The Lynchburg Public Library, Main Library, serves as a center for education, information, recreation and culture; provides barrier-free access to a vast array of

ideas and information by supporting an informed citizenry, lifelong learning and a love of reading.

Reference services, public free internet access, computers available to public, and electronic magnifiers are all offered by the library. Wireless connection offered at both libraries. Fax transmission service is available, as well as book discussion groups and a business collection of periodicals.

Service Area(s)

Campbell County

,

Lynchburg City
