Beacon Healthcare provides skilled nursing care and personal care. The home health care can be part-time, temporary specialized or skilled nursing care. The agency currently provides skilled care, personal care, and private duty in-home services and medical personnel staffing relief services in the hospital, healthcare facilities and physician offices.

The goal of the program is to acknowledge the intrinsic value of each human being, to dedicate the services and resources toward creating opportunity by providing education and promoting self-sufficiency; and to provide care and service in an efficient, caring and comfortable manner.

Accredited by Joint Commission on Accreditation of Healthcare Organizations (JCAHO) as of August 2009
