Arthritis & Sports Physical Therapy offers individualized treatment plans based on specific needs. The primary goal of rehab services is to return the individual to his or her full potential.

Provides facility for orthopedic physical therapy, such as arthritis, tendonitis, bursitis, post-surgical rehabilitation, joint replacements, muscle and joint pain, frozen shoulder, rotator cuff syndrome, work-related injury and hand injury.

Manual therapy, therapeutic exercises, electrical muscle stimulation, ultrasound, hand and wrist therapy, upper extremity splints are available. Instructions for a home exercise program are also available.

Service Area(s)

Fairfax City

,

Fairfax County

,

Loudoun County
