Hear Now is a national non-profit program of the Starkey Hearing Foundation committed to assisting deaf and hard-of-hearing persons with limited financial resources who permanently reside within the United States. The work of Hear Now is supported through the contributions of many benefactors. The Foundation receives no government funding. All donations of money, time, hearing aids allow the program to survive and give the gift of hearing domestically.

A Hear Now Provider is a hearing professional who volunteers his or her service in fitting and follow up for the Hear Now clients.
