Visitors are always welcome at The Center, either to take a tour, try out programs any time throughout the month, or just poke around on your own. The first Tuesday of every month is a particularly good time to visit—that's when Try It Out Tuesday is held, an informal open house. Drop in anytime from 8:30 AM until 8:30 PM and try out whatever programs and events are going on that day. At noon, a light lunch is provided by Whole Foods Market. A casual orientation is presented to learn about The Center and their programs and services, chat with other members and staff.

Membership is open to anyone age 50 and better.
