Bawcom Chiropractic Clinic offers chiropractic services including physical exam, nutritional and diet review, functional assessment, and check for sensory impairment and immobility. Treatment for chronic pain and arthritis.

Anyone with a spine can benefit from chiropractic care, and regular adjustments have been shown to improve functioning throughout the entire body. In addition to neck and back pain, chiropractors routinely treat many other conditions such as:

- sciatic pain
- headaches
- carpal tunnel syndrome
- arthritis
- chronic fatigue syndrome
- sports-related injuries
- and much more
