Chiropractic services include managing the aging process through utilization of manipulation and physiotherapy. Other services include acupuncture, auriculo therapy (ear acupuncture) for drug and alcohol addiction and weight control, moxibustion, traditional vacuum cuppings, shiatsu (finger pressure), as well as non-needle electronic procedures. Holistic medicine treats mental, physical and emotional complaints. Services also include physical exam and evaluation of falls. 60% of this practice is devoted to persons over the age of 60.
