Virginia Ear, Nose & Throat Associates performs testing for hearing impairment, dizziness and balance. Also offers assessments for hearing aid candidates. 60% of hearing tests is devoted to persons age 60 and over. Full audiological services are offered in coordination with otologic services as needed.

Other areas of medical care include allergy, nose and sinus, ear, balance, snoring, sleep disorders, voice and throat, head and neck and facial plastic surgery.

Specializes in allergies that affect the ear, nose and throat causing sinusitis, hearing loss and dizziness.

Call 804-484-3700 for an appointment at the West End office, Midlothian Center, Hanover office or Colonial Heights Center.
