Open Arms is a residential care home for ambulatory adults that assists in maintaining the highest possible level of independence. Offers a safe, wholesome, and home-like environment, qualified staff on duty 24 hours a day, staff certified in medication management and CPR, three nutritious meals and a snack daily, laundry service, activities, and outings. Other amenities include arrangements for day programs and workshops, church services, shopping trips, barber and beautician services, private and semi-private rooms, outside transportation, and cable for TV in every room. Medical records are required. A tuberculosis test is required within 30 days of admission. The capacity is ten residents.
