Pharmaceutical Research and Manufacturers of America (PhRMA) offers the [Partnership for Prescription Assistance](#). The program brings together pharmaceutical companies, doctors, other health care providers, patient advocacy organizations and community groups to help qualifying patients who lack prescription coverage, get the medicines they need through a public or private program. PhRMA offers a single point of access to public and private patient assistance programs. For phone assistance, call 1-888-477-2669.

Help with Insurance Premiums and Co-pays: Co-Pay programs provide financial

assistance for pharmaceutical products and health insurance premiums to Americans who financially and medically qualify. Call to find out more.
