The Leukemia & Lymphoma offers community education programs, workshops, medical seminars, and conferences. Provides literature on leukemia and related diseases at no charge; distributes written information to medical professionals. Provides information about community resources available to assist patients with leukemia, lymphoma, Hodgkin Disease, and myeloma, and their families.

The Society's mission is to cure leukemia, lymphoma, Hodgkin disease, and myeloma, and to improve the quality of life of patients and their families. The service area is Virginia, the District of Columbia, and Maryland. Call for satellite branches.
