Andromeda provides behavioral health services to the Hispanic community. Services include emergency referrals, a hotline, group and individual counseling, social services, alcoholism and drug abuse treatment programs, and community outreach programs. Bilingual staff members provide services oriented toward integrating clients into American society without the loss of Hispanic cultural values.

Latino women's Group meets every Thursday evening. Free for all women (in Spanish). An intensive psychosocial support group meets every Tuesday, Wednesday, Thursday and Friday. Call for more information. Fees are on a sliding scale.

Adult psychiatric treatment is available with access to hospitalization at Washington Hospital Center and Howard University Hospital.
