Drug Program. The Virginia Alcohol Safety Action Program (VASAP) provides probation and intervention services for the Commonwealth's courts through its 24 Alcohol Safety Action Programs located throughout Virginia. VASAP provides a network of probationary, administrative, case management, and client services that is readily adaptable and expandable to meet local and state needs.

It works with local employee assistance programs in combating the problems of substance abuse, provides funds for local law enforcement training and assistance in grant funding requests, and offers attorneys and judges knowledge and a wider variety of intervention programs to dispose of DUI/DUID cases in a manner appropriate to both community and offender needs
