NewBridges Immigrant Resource Center (IRC) assists immigrants in managing the complex system of Citizenship and Immigration Services. The IRC runs a legally accredited legal clinic. We assist clients in filling out applications for citizenship and immigration petitions. IRC highly discourages persons from obtaining legal counsel from local “notarios” or tax services. The IRC provides information regarding trustworthy immigration service providers in this region. Other services include:

- U.S. Passports - the IRC provides support for clients in the way of filling out paperwork, gathering the necessary supporting documents, and filing applications with the local court.
- Immigration information - IRC provides information regarding trustworthy immigration service providers in this region. IRC highly discourages persons from obtaining legal counsel from local “notarios” or tax services.
- Honduran and Mexican Consulate Visits - The consulates help serve the immigrant community by visiting and help with documentation. Dates are posted on website.
- Notarization - the IRC has two licensed Notaries.
- Translation of Documents - the IRC assists clients with the translation of documents

In addition to this, we receive all people who arrive at our agency, take down their information, and refer them to appropriate agencies when we do not offer the services that they require. Our current office hours are 9am-4pm Monday-Thursday. We are closed Fridays and clients are highly encouraged to make an appointment. If there are any questions that we can answer about the agency or our services, please feel free to contact us.
