Petersburg Baptist Association offers Health Promotion programs and outreach that are provided by the Parish Nurse in the community.

Some programs and activities that are offered are nutrition classes, CPR classes, tobacco cessation classes, diabetes education class, walking club, focus groups, arthritis exercise class and more.

Petersburg Baptist Association (PBA) is comprised of 56 churches within the cities of Hopewell, Colonial Heights, Petersburg and Emporia and the surrounding counties of Dinwiddie, Prince George, Sussex, Surry, Greensville, Southampton and the lower end of Chesterfield. PBA's Parish Nurse Ministry is in its 7th year of operation. The ministry is now "Health Care Ministries of Petersburg Baptist Association".

Each congregation has unique needs and resources; therefore, Health Ministry is different in every church.

Using an acrostic for "CARES", we care by Celebrating God's call and compassion within the church and community; acting in faith and adopting a mentoring model of accountability and availability; Restoring relationships and health through Biblical principles and choices; Empowered by the Holy Spirit to share Jesus' love through encouragement, edification, enrichment and education; & Spiritual supplication, servanthood and sacrifice.
