The Senior+ Program is an innovative inclusion program, within the senior centers, for seniors with minor cognitive and physical disabilities. Senior+ bridges the gap between day programs for fully independent seniors and those who require more assistance. Its value is that it allows seniors with disabilities to enjoy the wide range of programming found at the county's full service senior centers. It helps to reduce loneliness and isolation by providing fun and enjoyment. Transportation may be available from your home to the center nearest your home. The Senior+ program is at the following Senior Centers:

- Herndon Senior Center, 873 Grace Street, Herndon, 703-464-6203
- James Lee Senior Center at James Lee Community Center, 2855-A Annandale Road, Falls Church, 703-534-3387
- Little River Glen Senior Center, 4001 Barker Court, Fairfax, 703-503-8727
- Lincolnia Senior Center, 4710 North Chambliss Street, Alexandria, 703-914-1383
- Lorton Senior Center, 772 Gunston Plaza, Lorton, 703-550-7193
- Sully Senior Center, 5690 Sully Road, Centreville, 703-830-8301
- South County Senior Center, 8350 Richmond Highway, Suite 325, 703-704-5019

Case Managers assist individuals who require more intensive care. The County contracts with ServiceSource, a non-profit organization, to implement this service. As a service within each senior center, Senior+ Services follow the same operations of Senior Centers (e.g. transportation, hours of operation, meals, annual registration fee)
