English

THRIVE Peninsula offers a Critical Bill Assistance Program which provides financial coaching and offers relief to low-income Peninsula families who have hit hard times and face eviction or utility cut-off or face other bills that threaten their financial security. Self-sufficiency help can include car repair, work clothes, childcare, work licensing, etc. We also offer bus vouchers.

These Peninsula residents fall behind because they have experienced a job loss, unexpected medical bill, car breakdown, or other family emergency and do not have enough money in savings to overcome the adversity on their own.

By providing emergency financial assistance, we prevent a large financial fall-out for local families, who may otherwise lose their roof overhead or have their utilities shut off.
