Senior Community Service Employment Program (SCSEP) - provides part-time work experience training in community service for low-income persons over the age of 55. The program provides work and income to participants who, through their work assignments with community agencies, make valuable contributions to hundreds of communities.

The Senior Environmental Employment Program (SEE) provides older Americans with meaningful work while they are gaining experience, enabling them to move into a

better paying, more permanent position.

Call for more information about these programs, or visit the website.
