Provides a wide range of home medical equipment and supplies to help improve the quality of life. Apria's homecare specialists talk to both the patient and the caregiver, evaluate the home environment and provide the appropriate equipment as directed by the doctor's treatment plan.

The home medical equipment product line includes ambulatory aids such as wheelchairs and scooters, patient room equipment such as hospital beds and commodes and bathroom safety items, such as bathtub safety rails and transfer benches. Diabetes supplies are available as well as a home infusion and respiratory medications and equipment.
