Pulaski Area Transit (PAT) provides buses as public transportation to residents and visitors of Pulaski and parts of Pulaski County. The Town of Pulaski transit service has two fixed routes. Each bus arrives approximately every 60 minutes at each bus stop. PAT runs a deviated fixed-route service with a Demand Response system that requires 24-hour notice.

Fares are 75 cents for each one-way trip with children aged three and younger riding for free. Demand response service fares are \$1.50 for each one-way trip. Monthly bus passes are available for \$20. ADA Complementary Paratransit is available for those who qualify. Individuals who qualify for ADA services may ride the fixed route free of charge. Car seats must be provided by the adult riding with a child if one is needed. Seat belts are to be worn by passengers at all times. Wheelchairs and scooters must meet PAT guidelines.

PAT offers a new route to Christiansburg. The New River Express travels to Dublin, Fairlawn, and Christiansburg. For more information please call 540-980-5040.
