Woodbury Products delivers incontinence-care products to homes and health-care residences. Woodbury also delivers barrier/skin creams, disposable washcloths (wipes), gloves, and "no rinse" bathing products for bedfast patients; and Thick-It products, the instant food thickener for patients with swallowing problems such as dysphasia, and Thick-It Purees.

Other items include knee length stockings (vascular compression), underpads, gloves, burn care bandages and dressings, and more.

Boost Nutritional Energy Drink is available, as well as orange, grape, and fruit juice drinks and fiber drinks.
