Skyline Community Action's Emergency Home Repair Program services are provided to owner-occupied dwellings that are in need of basic health and safety repairs, including plumbing, electrical, safety and accessibility (wheelchair ramps). Priority is given to seniors and persons with disabilities. Repairs can also include modifications for handicap accessibility such as ramp installation. Through partnerships, Skyline can also assist with homes that have no water or wastewater system or have a system that is failing or does not meet basic standards and roof repair.

Skyline's Home Repair program is available only in Greene. When funding is available, assistance may be provided in Madison and Orange counties as well. Clients in need should call to determine availability of funding and receive referrals to additional resources.

For assistance, call Jack Naylor at 434-985-6066. There are other available resources for individuals in need. Skyline can help make referrals for you. Please call for assistance.

Services are based on the availability of funding and eligibility requirements. [Click here to download an application for these services.](#)
