The Women's Health Center at VCU Medical Center at Stony Point offers coordinated continuum of care to women at all stages of life. The Center features a multi-disciplined team of health care professionals, including primary care physicians specialty physicians, nurse practitioners, nutritionists, physical therapists and bone density technicians.

Services available are obstetrics, gynecology, gynecologic oncology, breast health, incontinence, osteoporosis, cosmetic dermatology, menopausal hormone therapy, health education classes on weight loss, exercise and nutrition.

Charlotte K. Roberts Women's Health Resource Center acts as a clearing house for health-related information and resources encouraging women to be active partners in their health care. The center is staffed by an information specialist who is available to assist patients with research about their individual and family health concerns. The Resource Center is open Monday through Friday 8AM to 5PM, Wednesday evenings until 7PM.
