Cleansing Water offers geriatric care management services. Geriatric care managers offer customized consultations and advice to their clients and help them make decisions that are appropriate for them.

Services can include:

- \* Conduct care planning assessments to identify problems and to provide solutions.
- \* Screen, arrange and monitor in-home help or other services.
- \* Provide short or long-term assistance for caregivers living near or far away.
- \* Review legal, or medical issues and offer referrals to geriatric specialists.

- \* Provide crisis intervention

- \* Act as a liaison to families at a distance overseeing care and quickly alerting families to problems.

- \* Provide consumer education and advocacy.

- \* Offer counseling and support.
