Five Star Home Health Care offers physical, occupational and speech therapy in your home, whether you are living in your own home, in the hospital, or in a facility such as skilled nursing facility, assisted living facility or independent living facility.

Physical and Occupational Therapy are provided in the home for the education, treatment and management of arthritis and osteoarthritis, general debility, muscle weakness, abnormality of gait, energy conservation, training on use of durable medical equipment, joint replacements, orthopedic rehabilitation and fall prevention measures. Speech Therapy treats dysphagia, aphasia and cognitive functioning.
