The HealthWell Foundation provides financial assistance to eligible individuals to cover coinsurance, copayments, health care premiums and deductibles for certain medications and therapies. If you've been prescribed a medication and your insurance company covers it, but you still cannot afford the coinsurance or copayment required, contact HealthWell to see if a grant is available to pay for part of your costs.

Grants are available for the following:

- Prescription copays
- Health insurance premiums, deductibles and coinsurance
- Pediatric treatment costs
- Travel costs
- Behavioral health services

Click on [Determine Eligibility](#) and take the eligibility test. To qualify for assistance,

- Have some form of health insurance — (private insurance, Medicare, Medicaid or Tricare, that covers part of the cost of your treatment)
- Your medication must be listed in the Disease Fund

- Limited to the household income, number in your household and cost of living in your city
